Lingo

INNOVATIVE SOLUTIONS. CUSTOMER SATISFACTION. MEANINGFUL SAVINGS.

Lingo is a leader in the telecommunications market delivering flexible and effective solutions to carriers, businesses and homes. Dedicated to innovation, affordability and execution, Lingo owns and operates a state-of-the-art Voice over IP network that carries billions of minutes and messages every month, including one of the largest implementations of an IP-based network connected to a nationwide Feature Group D (FGD) network.

Led by an experienced team of professionals, Impact is committed to delivering quality services at competitive rates. With decades of industry expertise throughout the organization, Impact has an understanding of the challenges customers face selecting a telecommunications provider. Lingo focuses on customer service, technology innovation and operational efficiency. Our commitment to our customers is the foundation of our success, and we take it very seriously.
